

17th INTERNATIONAL CONFERENCE-SCHOOL

„ADVANCED MATERIALS AND TECHNOLOGIES“

August 27-31, 2015 Palanga, Lithuania

Organizers

- Kaunas University of Technology
- Lithuanian Materials Research Society
- Vilnius University
- Tartu University
- Center for Physical Sciences and Technology
- University of Latvia
- Riga Technical University

TOPICS

- Methods of surface analysis
- Surface engineering and nanostructures
- Electronic and optical materials
- Ceramics
- Advanced engineering materials
- Polymers and composites
- Materials for energy

IMPORTANT DATES

- **May 18, 2015** deadline for the registration and abstracts
- **June 2, 2015** deadline for the reduced registration rate
- **June 29, 2015** final announcement (including a programme)
- **August 27, 2015** beginning of the Conference - School (arrival)

Registration and information: www.amt.ktu.lt

or **NEW!** advancedmaterials.ktu.edu
