

**19th INTERNATIONAL CONFERENCE-SCHOOL
„ADVANCED MATERIALS AND TECHNOLOGIES“
August 27-31, 2017, Palanga, Lithuania**

Organizers	Kaunas University of Technology Lithuanian Materials Research Society Vilnius University University of Tartu Center for Physical Sciences and Technology University of Latvia Riga Technical University
Topics	Methods of surface analysis Surface engineering and nanostructures Electronic and optical materials Ceramics Advanced engineering materials Polymers and composites Materials for energy

IMPORTANT DATES:

May 18, 2017 deadline for the registration and abstracts submission

June 2, 2017 deadline for the reduced registration rate

June 29, 2017 final announcement (including a programme)

August 27, 2017 beginning of the conference-school (arrival)

Registration and information: advancedmaterials.ktu.edu
